FLOW OF THE DIAGNOSTIC DUEL - CPC COMPETITION:

- Once the cases are received from the teams, the CPC Committee will individually analyse the cases, randomize and allot them to the teams for solving.
- Each team that has submitted a case will receive a case with a CASE NUMBER for solving by 10-02-2025 on the email id from which they submitted their case.
- The solved cases need to be submitted as a Power Point Presentation (PPT) in the allotted Power Point Templates, by 21-02-2025 by 5pm. No submissions or changes in the presentations will be entertained after this date.
- The solved cases will be presented by the PG Resident of the Institute which has received the case.
- The CPC Committee will hold a Zoom Meeting after 26-01-2025 (Exact Date and time will be intimated via WhatsApp to participating Institutes/Hospitals) to clarify all further queries related to the competition after the cases are submitted.
- On the day of the competition all presentations will be projected from the conference laptop only, no presentations will be entertained from personal laptops or pen drives.

Time allotted for each presentation:

Presentation	Presenter	Time Allotted
CASE PART 1 (Initial details)	Faculty	5 minutes
CASE DISCUSSION	PG Resident	10 + 2* minutes
CASE PART 2 (Solution and discussion)	Faculty	5 minutes

* There will be 1st bell at 10 minutes, 2nd bell at 12 minutes for resident presentations.

THERE WILL BE NEGATIVE MARKING FOR EXCEEDING THE TIME ALLOTTED FOR THE PRESENTATIONS.

- Please arrive at the Competition Venue 15 minutes prior to the time allotted to your presentation.
- No changes in the schedule of presentation will be entertained.
